

FORKLIFTS OF MINNESOTA, INC.

NATIONAL
**FORKLIFT
SAFETY DAY**

#1 concern on a forklift is safety

- The combination of size, design, and limited operator vision all increase the risk of an accident.

#1 way to be safer on a forklift is to be 100% aware of your surroundings

- Utilize an **Orlaco Camera monitor system** to increase awareness and vision.
- Gives the operator the extra pair of eyes needed to operate more safely.

Call your **CSS Rep** or the **parts department** for a price today!
